TO

HUMAN RESOURCE MANAGER,
SAFARICOM LTD.

Dear Sir/Madam,

RE: APPLICATION FOR INTERNSHIP

I am writing to express my interest in the internship opportunity advertised on www.safaricom.co.ke. I am Samuel Wahome, and I completed my undergraduate program of BSc in Actuarial Science in January 2024. I am scheduled to graduate in May 2024. I am eager to apply my academic background and practical skills in a professional setting, making this internship a valuable opportunity for my career development.

My previous role as a Software Developer Intern at Teach to Give, from Jan 2024 to March 2024, provided me with exposure to a wide range of modern technologies. I have gained practical experience and developed working knowledge in JavaScript and R languages. Additionally, my internship at Meriskills as a Data Analyst Intern enhanced my ability to create compelling data visualizations essential for informed decision-making in organizations. This experience also honed my skills in R and PowerBI.

Furthermore, my leadership roles at the University and collaborative projects have strengthened my soft skills and teamwork abilities. I am dedicated to continuous learning and contributing positively to any task at hand. I thrive in high-pressure environments and am confident in my ability to perform effectively.

I am excited about the possibility of joining your team and am eager to contribute my skills and enthusiasm. I am looking forward to a positive response.

Yours faithfully,

Samuel Wahome Mugane
